Deacons Fund Offering
Received at exits

Since the early days of the Church, the observance of Holy Communion has been accompanied by the giving of offerings for the poor. We are invited as we depart today to share in a Deacons Fund Offering to be used to aid those with special needs. This month's offering will go to support the work at Mercy's Gate.

Communion Service

We invite every Christian who has publicly professed faith in Christ by joining any gospel proclaiming church to join us in this celebration. We also ask that parents withhold the sacrament from their children until the child is prepared to meet with the elders to become a communicant member of the church.
